Back to the 21st Century ... The lobby is back to normal, no remnants left of our Journey to **Babylon** except memories of Daniel – his faith, courage, and commitment to serve the one true God. The children were “eyewitnesses” to the trials of Daniel and his three friends in a foreign land surrounded by so many unbelievers. We won't forget Ashpenzas (“has pizzazz” - “found God at last”), Daniel, and his three friends – Shadrach, Meshach, and Abednego! Seeing the actors age reminded us all of Daniel's steadfast faith throughout his whole life.

Thank you, BHCC! **SO** many folks shared their time, talents, and worked together to create such a memorable experience! We especially appreciate the preparation from the team of directors: **Heather Bell, Candie Bowen, Andrea Parker, Allison Musso, and Janelle White** and the creativity of **Ashley Birch** and her team of decorators. The list is endless of all who worked behind the scenes, used their creativity, worked in the shops, served cookies & juice, acted in dramas, etc. It takes a multitude and couldn't be done without all the volunteers! **Thank you team BHCC for touching the hearts of so many children!!!**
