Where in the World is WALTO?

Registration ended last weekend for our **Fall Family Retreat**. However, we can still take applications for **Friday** or **Saturday** only participants until **Sunday, October 9th**. The hotel is full, there could be more campsites, since they are booked on a first come basis. We will have to make final plans for meals, etc., so we will need to have a final cut-off for registration.

Besides trying to find **WALTO**---we are going to investigate: **Where in the world are the Children? Where are the boundaries? Where have I been? Where can I go?** These are just a few of the questions that will be answered during some of our classes and fellowship time during the retreat.

A complete schedule of events is being prepared this week and will be posted at the information center and on the web for you to review...and to plan your schedule if you are going to be able to join us for part of the weekend.

The family retreat will be **October 19th, 20th and 21st** at **Henry Horton State Park**. Come join us and help us find **WALTO?**

Where in the World is the 5th Sunday?

It is here! It is this Sunday! And the contribution raised this Sunday is going to be used to help build a Habitat for Humanity House next year. The details of the build (location, time of the year, etc.) will be determined after we see the amount of funds collected on Sunday. If we raise enough money we will build more than one house! Many of our members have been involved in Habitat builds in the past, and this will be a great way for our entire family to be involved in building a house for a needy family! Please pray for this effort and plan accordingly as your make your 5th Sunday contribution this week.

Here am I...Send Me.

Where in the World is Honduras?

Many of us have been there. And almost everyone at **Brentwood Hills**...even the children in **Children's Worship Training**... know about Honduras. Last Saturday night **Brentwood Hills** was the host site for the **Las Damas de Baxter** (Ladies of Baxter) annual fall dinner. This year, the men planned the event. It was a football tailgate party! **Robert Scott, Mark Brewer** and **Jeff Whitehorn** headed up the committee, and with the help of their wives and a few other people, they were able to turn our foyer into a tailgate party for your favorite team! Thanks to all of the **Brentwood Hills** people who joined representatives from nearly 20 churches to raise funds for the **Baxter Institute**. Just under **\$10,000** dollars was collected for the ladies to use for projects with **Baxter**. Thank you for your continued support of this ministry.

Where in the World is the LIBRARY?

The library is moving to the prayer room. As we make the transition, we find the need to release some books to new homes. A table is set up outside the Library/Prayer Room with books available for purchase. Hardbacks are \$2.00 and paperbacks are \$1.00. There is a box provided for payment, and we are counting on the honor system. All proceeds will be used to update titles in the library. While you're looking at the sale, come on in and see how the move is progressing. If you would like to be involved in the library ministry or have suggestions for the collection, please contact **Melanie Pennington** at melanie.yaya487@comcast.net.

Mother/ Daughter Spa Night Precious Memories serving one another...

Words cannot adequately describe the "joy" of the evening! Mothers and daughters pampered each other at each of the four stations - pedicure, manicure, facial, make-up, and hair style. The smiles on all their faces dominated the evening. A very special thank you to the Spa station managers: **Nancy Parkinson, Betsy Burris, Melinda McInteer, and Connie Deeb**. It wouldn't have happened without your help! The girls and their moms felt like princesses. The devo concluded the evening, reminding us that we are all daughters of a King. Not only do we need to care for our physical bodies, but also our spiritual ones. It was such a fun evening we hope to make it an annual event. ☺
