**Where Is Walto?**

**WHERE IN THE WORLD IS WALTO?**  
Family Retreat : October 19, 20, 21  
Henry Horton State Park

This weekend we hope to find Walto at Henry Horton State Park during our **Family Retreat**, however, we hope to learn that Walto is Here, There and Everywhere as we focus on all of the many ministry opportunities that we have at Brentwood Hills that will help all of us to proclaim daily....*Here am I...Send Me!*

Our activities will begin Friday night and conclude with worship on Sunday. Our schedule will include plenty of time to fellowship---free time for your family---sharing time with others---devotional time---entertainment---games---crafts---and plenty of good food!

Throughout the weekend we will be sharing about ministry opportunities. Different places that Walto has been spotted around the building, around the city, around the country, and around the world!

We can all be Walto! Just like **John Durham**, who left this week to do mission work in the **Ukraine**, and **Bill Staggs** who recently returned from China...they are Brentwood Hills Waltos! **Mark and Melinda McInteer** and **Jared Smalling** are Waltos this week---conducting a marriage seminar in **Venezuela**. **Joe Dudney** and **Joe Smith** sends Waltos across the country and across the world through Disaster Relief and Healing Hands. **Betty Wiley** leads a crew of Waltos each Tuesday night as she directs our **FriendSpeak** program. The same can be said about **Barbara Hunter** and **Mary Kate Fisher** with their bus load of workers with the **Inner City Ministry** on Monday night. **Roberto Santiago** and a team of Waltos led by **Kevin Collins** and **Dick and Jan Garner** are teaching English each Tuesday night at **Grandview**...along with Sunday services and daily activities involving that family. **Rick and Cindy Betts** have another group of Waltos helping at **Woodbine Family Church** each week. Each Sunday and Wednesday we have over a hundred Waltos teaching in our children, youth and adult education program.

In November we will have Waltos like **Tommy Hardeman**, **Steve Moore**, and **Jeff Hazelip** setting up beds, cooking food, driving vans and spending the night with the homeless as we begin the **Room in the Inn** program. Many Waltos will be donating toothpaste, shampoo, gloves and other items for us to distribute. Classes full of Waltos will be signing up to lead each Saturday night during the next few months.

A church full of Waltos will participate in our **Thanks-for-giving** program this November and others will be working hard to help other families have a Merry Christmas. **Jon Lowrance** is organizing a team of Waltos to build our "**Habitat for Humanity**" house this spring.

...Or Waltos like **Fawn Bauer**, **Sarah Kate Tiner**, **Louisa Duke** and **Erin Keckley** and others who are in a foreign country sharing the love of Jesus...or **Chad High** who heads the mission trip to **Camp Shiloh**...or Spring Break when **Johnsie and Alyne Henderson** lead a group of university students on a mission trip...or during June when **Robbie Forrester** directs **Nashville Workcamp** for hundreds of young Waltos...or **Suzanne Martin** and **Nancy Parkinson** leading a group of Waltos to a town like **Somerset, PA** for mission VBS, after hundreds of Waltos have worked in our own VBS, while still other Waltos are preparing for **Brentwood Hills Christian Camp** and our annual trips to **Honduras**. Many Waltos will be going places, others will be donating funds to help---like you did recently for our friends in Honduras hit by the recent hurricane. These are not all of the opportunities for Brentwood Hills Waltos. There are hundreds of things for Walto to do to share the **Light and Love of Jesus** on our **Journey to the Son!** We can all be WALTOS by praying for our "Outreach Efforts" Here, There and Everywhere! Here am I...Send me! jfs

### Calling all bhcc veterans!

November 11th, Veteran's Day, falls on Sunday this year, giving us a special opportunity to recognize those members who have served, and are serving, in our country's Armed Forces. We would like to again display information about our veterans, as we have in past years. We appreciate the diligent work of **Judy Crumbliss** in building our veterans' data base. If you have submitted your information in the past, you are good to go. If you are a veteran who has not had the opportunity to tell us about your service, please visit the Information Center and pick up your veterans information form, complete and return it as soon as possible. Thank you for your service. — **Don Barker and Fred Frawley**

### "Go, ye..."

When the tsunami hit India recently, **Healing Hands International** (HHI) immediately responded by sending needed food, clothing and medical care to the church of Christ in that area. Not only did HHI respond to their immediate needs, but they also provided them with the nets and boats they needed to continue supporting their families. Since the aid was distributed through the church there in India, the people recognized the love of God in the people who were helping them. Because of this, the church there was able to establish a relationship with these people. Hearts that would never have been open to the gospel were pricked through God's providence. God received the glory, and 35 new Christians in the fishing village of Seetha Ramapuram are now saved. Additionally, five new churches of Christ have been established in nearby villages where tsunami relief was provided. Thank you for your continued support of this effort that is "...going into all the world and preaching the gospel to every creature". — **Shawn Humphrey, Mission Team**

### Calendar Updates:

**Trunk or Treat** - October 31st

**K- 4th Father/Son Sock Wars** - Nov. 9

**Breakfast with Santa** - December 1

**Baby Bible Presentation** - December 9

### Umbrella Strollers Needed in Nursery

The magic of motion works wonders with some of our little ones. ☺ However, we only have 1 umbrella stroller. The nursery workers would love to have a **double umbrella stroller** or **several more single umbrella strollers**. Due to limited storage space we can only use umbrella strollers. If you have one that you are not using, please share with us!

### Noah's Ark

The noise lately may have caused you to wonder what was happening upstairs! Construction has not begun on our building! ☺ Instead, the kindergartners in the Lady Bug class have been diligently hammering, building, and painting an ark while they learned about Noah. Last Wednesday night the children

celebrated God's promise never to destroy the earth with a flood again. His covenant was sealed with the rainbow. The children made a rainbow with red, orange, yellow, green, blue, indigo, and violet scarves and sang praises to God. Noah and his family were thankful for their blessings. Let's remember to thank God for our blessings and His promises, too!

### Trunk or Treat - Wednesday Night, October 31st

Time to begin thinking about decorating your trunk... Come early and prepare to enjoy the festivities before class time! Please park in the south lot, share treats, and enjoy the children's costumes. You can even wear a costume, too. The fun begins at 5 p.m. Our regular Wednesday Night Fellowship Supper will be served on the south lawn from 5 - 6 p.m. (Make your reservations as usual.) Wednesday night classes will begin at 6:30 p.m.

### We need lots of socks.....

**Father/Son Sock Wars** is coming soon. Please help prepare for this night of fun. Fill the bin with old socks. (See Robbie's plea.)

**Reminder:** Although many of our families will be at the Family Retreat this week-end, **Sunday school classes will meet.** ☺
