25-Hours of Prayer

Turn your clock back one hour Saturday night

This Saturday night is the longest night of the year, time wise! We leave daylight saving time—thus a 25 hour day! We will take advantage of the extra hour by hosting our 25-Hours of Prayer.

It will begin with our annual Prayer Breakfast at 8 a.m., Saturday November 3rd in the Room 303 (the Reception Room). I have the honor this year of sharing a few thoughts as we spend some time in prayer during the breakfast. While many of us gather for the Prayer Breakfast, others will be officially kicking off the 25-Hours of Prayer in the elder’s conference room. We will begin the first hour at 8:00 a.m., Saturday and conclude at 8:00 a.m. on Sunday morning.

We still have plenty of time slots to be filled by people who are stopping by the building to pray. Some will be praying from home. We will list the hour themes and prayer updates throughout the day on our website at www.brentwoodhills.org . We also will be receiving emails and a special prayer room link on the web site will allow you to send in requests and stay in touch with the 25-Hours of Prayer. And it will allow those who can’t come in person to pray from home.

If you need more details or would like to sign up to pray at the building or at home contact me at jonathan@brentwoodhills.org

Thanksgiving—Sunday, November 11th

Next week we hope to fill the foyer, the stage, the building with Thanksgiving bags. This Sunday the Thanksgiving menus and bags will be distributed. Please make your purchases, double bag your food and return to the Brentwood Hills building by Sunday, November 11th. Our Benevolence Team’s goal is 900 sacks! This is a great family project. Take advantage of the “teachable moment” by taking your children with you to purchase the food and then let them participate by bringing the sack to the building. Thanksgiving is wonderful holiday tradition at Brentwood Hills. The Grandview church is also organizing a Thanksgiving for the Hispanic community and teaming up with other churches in the area. Let’s pray that both of the programs will touch the lives of many people in the Nashville area.

Veteran’s Day and the Naval Glee Club

Invite your friends and neighbors to join us Sunday afternoon for a matinee performance of the Naval Academy Glee Club. This group of midshipmen is the most active of the Naval Academy’s musical organizations and has achieved national prominence as one of America’s premier men’s choral ensembles. These young men are in town with the Nashville Symphony in three sold out performances—Thursday, Friday and Saturday. We are honored and excited to host the Sunday afternoon performance. Fred Frawley has made all of the arrangements and worked to organize this event. The performance will take place in our main auditorium at 2 p.m.

Emergency Vehicles—Please Keep the Fire Lane Open

This past Sunday an emergency vehicle needed to enter the north drive. We are having a continuous problem of people parking in this FIRE LANE—no parking zone. Cars should not park along the curb or the drive. If you come to an event and need to drop off supplies or individuals, please park your car in a designated space in the parking lot after the drop off. DO NOT PARK IN THE DRIVE OR ON THE GRASS. Also, during services NO VEHICLES should park in this no parking zone. We have become very lax in this area, and we ask for your cooperation in helping us to keep this area open for traffic. When you park along the curb it makes it difficult for the traffic to flow out of the parking lot to the north exit. If possible leave the spaces in the parking lot close to the building for our handicap, seniors and visitors. Please help us by parking in the designated parking spaces, and enjoy the Journey to the building! Your help in this matter will be greatly appreciated. jfs

Umbrella Strollers Needed in Nursery

The magic of motion works wonders with some of our little ones. ☺ However, we only have 1 umbrella stroller. The nursery workers would love to have a **double umbrella stroller** or **several more single umbrella strollers**. Due to limited storage space we can only use umbrella strollers. If you have one that you are not using, please share with us!
