Follow in His Steps in 2008

"To this you were called, because Christ suffered for you, leaving you an example, that you should follow in HIS steps." 1 Peter 2:21

As our *Journey to the Son* continues in 2008, in all that we do we want to ask the question: "What would Jesus do in this situation?"

Walt Leaver will be leading us through a study of the Gospels as we try to **Follow in HIS steps!**

Here is the breakdown of how we will be looking at stories in the Gospels for the upcoming year:

Matthew- 28 chapters

January- April: 7 chapters per month

Mark - 16 chapters

May- June: 8 chapters per month

Luke- 24 chapters

July- September: 8 chapters per month

John- 21 chapters

October- December: 7 chapters per month

Men's Prayer Breakfast 2008

The **Men's Ministry** hosted our first annual **Men's Prayer Breakfast** on the first Saturday of the New Year. **Jonathan Shaub** was the guest speaker this year and around **250** men were in attendance.

Joey Smith provided these pictures. He was one of the cooks. Joey was at the building by 5:25 a.m. and at 10:30 a.m. he was leaving the building after everything was cleaned and in place for Sunday morning. As he put it, *"I was sitting in my chair at home at 11:00 a.m. Got to love it when a plan comes together."*

Here are some of the comments overheard at the breakfast: "There will not be a better breakfast served in this state today." "Are y'all going to do

this again next week?" "Shoney's has nothing on this." "Hey! That's real country ham!" "I'm already looking forward to next year."

Jonathan Shaub did an excellent job sharing with the men for this first annual event. Mark your calendar for next year's **Men's Prayer Breakfast—Saturday, January 3, 2009.**

"Go, ye..."

"I tell you the truth, anyone who gives you a cup of water in my name because you belong to Christ will certainly not lose his reward (Mark 9:41)." Healing Hands International (HHI) is successfully working to bring clean water to the world through a water well drilling program. Wells dug in the name of Christ provide communities with a consistent source of clean water. Every day in the U.S., we simply turn on the faucet to get a glass of water, shower, or cook. Imagine walking four miles to fill up a jug of water that will be your family's only source of water for the day. Now imagine further that the reservoir you go to get water is the same one in which cows and other animals bathe causing you or your family to contract intestinal infections, hepatitis, or typhoid fever. To date, HHI with the help of supporting congregations such as BHCC, has funded the drilling of over 200 water wells that has provided clean drinking water for more than 600,000 people around the world as they "...go into all the world and preach the gospel to every creature". — Shawn Humphrey
