Celebrating the Chinese New Year

Chinese New Year's Day is the first Lunar day of the Lunar month in the Chinese Lunar calendar. The first Lunar day is the New Moon Day, so different times zones might have a different Chinese New Year's Day. *Dragons, food, gifts, decorations, red envelopes with cash, and lantern festivals* are all part of the fifteen-day celebration (Feb. 7-22) of the Chinese New Year that ties their activities to their history and culture.

Brentwood Hills is pleased to have several members and regular attendees from Asia. Many of these people

have been part of our **FriendSpeak Program** on Tuesday nights and are now part of our Sunday School and Worship each week. This week, in recognition of the **Chinese New Year's holiday**, we would like to recognize and welcome them to Brentwood Hills.

This Sunday several of our Asian friends will be at our entrances greeting us with a "*Happy New Year!*" The picture below was taken in their Sunday School class one morning. We appreciate all of the work **Mike and Betty Wiley** do in leading this ministry. Below is a list of students attending our Sunday School: **Nancy Wang, Lefty Zuo, Tiger Zuo, Dong Sheng Cheng, Ling Zhong, Julian Li, May Li, Gene Li, Gretta Li, Shuangli Guo, Hong Wu, Victoria Guo, Susie Yu, Shouqing Guo, Chelsea Guo, Jeong Sukk Kang, Bin Liu, Jian Li, and Bashan Liu. Sharon Jones** also attends our FriendSpeak class.

"Go, De..." UPDATE ON KENYA

As you may have read in the national news in the last days and weeks, recent events of political unrest have caused much bloodshed, fear, and fleeing in Kenya. We have recently received word from **George Onchangwa** with **Nairobi Great Commission School (NGCS)**, based in Nairobi, Kenya, about the violence and atrocities that they are witnessing. George tells us of enrolling students unable to make it to NGCS because they are unable to travel because of the barricaded roads or fear of their lives. George also tells of the churches that have been affected by members being killed, injured or displaced. Regarding this news, George has made a heartfelt, specific request to us that we "*please take this to all God fearing people, ask them to pray for peace in Kenya this Sunday; that no more innocent children and helpless women are going to be killed; that God may console the many homeless and hopeless bleeding souls in Kenya right now; and that the mediation process brokers peace for Kenya and Kenyans.*" Please keep this specific request in your prayers. Also, please feel free to let George (geochangwa@yahoo.com) know that you are praying for them and offer him your support as he "*...goes into all the world and preaches the Gospel to every creature*".

Thoughts to ponder.....

- What would the coach say if your child neglected to come to practice?
- If your child wasn't at practice, would your child be able to play in the game?
- What would happen if your child didn't come prepared to play the game?
- Would you help your child remember his playing equipment?
- How would you feel if the coach was late to the game?
- Which is more important a game or church?
