Vol. XLIII No. 7

February 24, 2008

**Time for the *Hammers* to start *Swinging!***

Our much anticipated Habitat for Humanity build is just over a week away. Last Sunday night, we met the lady that we are partnering with to build her new home in the new Timberwood subdivision. It was a very uplifting presentation . . . she has been planning for years for this day . . . and it is about to become a reality! As you can see by the picture below, the land has just been cleared, and we will be one of the first houses to go up in this area . . . and we are lot number #32! (I had nothing to do with the picking of the lot . . . but that number has a nice sound to it). Get ready for our version of MARCH MADNESS! This Sunday night we will have a safety and security briefing in the Small Auditorium for our builders at 5:00 pm. This will be a very informative meeting, and if you are planning to work on-site anytime during the build, I would encourage you to attend this meeting. Some will be able to build, others will fix and deliver meals, but all of us can pray! Let’s pray that God will use us to His glory as we partner to build this house!

**Spring Quarter Sunday School**

Our new Sunday school quarter begins Sunday March 2<sup>nd</sup>. The topic is: “Being the Church, the body of Christ, in the 21<sup>st</sup> Century”. This material has been prepared by our Elders and will be taught by our Elders and Staff for all classes---7<sup>th</sup> grade through all adults. A complete listing of the classes, teachers, and their locations will be published next week. The Sunday morning Women’s Class will not meet during the spring quarter and those ladies are invited to attend any of our adult classes. The new material should be in your classroom this Sunday, so you can take it home and begin to study the material. The first Sunday, we will have a combined (7<sup>th</sup> grade and up) class in the main auditorium. Since we are all studying the same material, it is our prayer that if you have teenagers, you will take advantage of this opportunity and discuss the material at home as a family.

**Meet the Lucenas**

Ruth , Alcides, and Cielo ( 3 yrs.) arrive Feb. 29 on the late American Airlines flight from Honduras. They will be with us for two weeks to get acquainted with our church family, before they begin a seven year *church plant* in Cartagena, Columbia. They will return to Tegucigalpa with Johnsie Henderson and our 12-15 member University team, leaving on a *Spring Break Mission Trip* March 14<sup>th</sup>. They will work at the Kennedy Church with our group and with Marvin (visited last summer) and Evelyn Garcia who are also members of the Cartagena team. Both Lucenas and Marvin graduated from Baxter in December of 2007. The Cartagena team leaves to begin their new work in April. Working with Continent of Great Cities and the Baxter Institute, the Lucenas and Garcias became the first *mission couples* selected by Brentwood Hills for this type of mission work. Ruth and Alcides are already known and much appreciated by many of our people who have been associated with the work in Barquisimeto or Honduras.

On Sunday March 2<sup>nd</sup>, Alcides will be preaching at Grandview. If you would like to schedule the Lucenas to be in your class or attend some other gathering, contact JD Blackburn at 781-6182 or 479-7991 or Heath Grisso at 790-8792. We would love for you to have them in your home with a small group so that everyone can get better acquainted. Please contact Joy Brown at 371-1756 or 429-1756 to schedule a day and time. You will need a Spanish interpreter!
