A Thank You from Macon County

“Our heartfelt thanks goes out to each of you who has helped in the effort to restore the lives of our friends and neighbors. We appreciate the special contribution that was taken, and all the donations that have been made and brought here. We appreciate those of you who gave up your time to come here and help with clean up and whatever was needed. This is a small community where we know everyone. We have close connections to those who have lost and those who grieve. Our lives are forever changed by the events that have happened and also by the efforts of everyone to help us rebuild. Please continue to pray for us as we work daily to move forward with our friends and families.”

On behalf of Lafayette and Macon County Citizens,
 Randy and Brenda Napier

Shiloh Mission Trip Plans Announced

The Shiloh Camp work team has announced that they will be going to Camp Shiloh the first week of June, 2008. Tentative plans call for the team to fly out of Nashville on May 31st and return to Nashville on June 7th. The long awaited, “Celebration Center” (a center that will house the kitchen, dining facility and group activities) should be ready for our team to help put the final touches on the interior, etc. Our group will be joined by individuals from the North Boulevard Church in Murfreesboro. Both men and women are encouraged to be part of this year’s crew. If you are interested in being part of this mission work team or would like to have some additional information, please contact either **Woody Fisher, Chad High** or **Bob Malick**.

Snow Changes Plans for the Easter Egg Hunt

Despite the snow and later the mud, our "Elder" **Easter Bunny** hopped to the relocated "hunt" in the FLC to visit with the children. It wasn't our traditional egg hunt, but all the children had fun and will remember the year they filled their Easter baskets hopping like a frog. Crawling like a snake, walking on their knees, etc. They even discovered a few prize eggs. ☺ At the end of the afternoon the EB and "Miss" Suzanne were pooped, but chocolate smiles and sticky fingers made it all worthwhile!

A special thank you to **Joey Smith** for his help, the EB, who rescued a choking child with the Heimlich, and **Paul Heffington** for providing the adult prize. ☺
