**Memorial Day Weekend...the Beginning of Summer!**

Traditionally the **Memorial Day Weekend** features the running of the *Indianapolis 500*, the *Coca Cola 600*, the *ending of school* and the *beginning of summer!* This year is no exception! Cookout, picnics, and mini-vacations will all highlight this holiday weekend. The excitement of the summer is in the air around the office as we have officially welcomed three summer interns this week. **Megan Dickerson, Ben Rawlins** and **Philip Groves** have been busy getting to know everyone...learning procedures...and trying to figure out how to un-jam the copier---a must learn for every intern! Within a week, our calendar will be jammed pack with **Workcamp, VBS, Mission Trips, Camps**, and weekly events! **June, July, and August**...are three of our busiest months of the year....however, I think our **Journey** is packed full of events 52 weeks a year! What a blessing! Join me in welcoming our interns...they will be working closely with **Robbie** and **Nancy** and our youth program---however, we expect to see their experience to include work with our **Children's Ministry** and other ministries.

I have had the pleasure of teaching our **9<sup>th</sup>-12<sup>th</sup> grade** on **Sunday** mornings this past quarter. They have been open and honest, and we have enjoyed learning about **The Church---The Body of Christ in the 21<sup>st</sup> Century**. It has been good to look at the New Testament church...to look at our heritage...and to look ahead at the church that they will lead some day! Our young people are a vital part of our church family today...and they will be prepared to lead the next generation!

Speaking of leaders, our Shepherds have been working with our Deacons, ministry leaders, and others over the past few months as we have fine-tuned our operations through our new **Cluster System**. Our goal is for more and more people to be involved in ministry. The Elders' plan is to appoint Deacons throughout the year as the needs arise. The Clusters are providing information concerning needs and involvement on a regular basis. This past Sunday, the Elders announced that the following men are being considered for Deacon: **Amos Jones---Youth; Brant Lathem---Church Life Cluster Coordinator ---Bill Pauley---Senior Ministry**. The Elders asked that if you have any scriptural reason to why these men should not serve, that you personally discuss those matters with the candidate during the next two weeks. Our plans are to install the new deacons on June 8<sup>th</sup>.

### "Go, Be..."

*Update from Baxter Institute*— On April 11, Baxter Institute was excited to announce that, after two years of hard work, planning, and prayer, two students arrived from Cuba to start their studying at Baxter. Baxter is very happy to welcome Daniel Blet and Pedro Minardo to Baxter and into the Baxter family. How exciting is it that Baxter has been able to recruit and now train and eventually graduate highly-trained gospel preachers to return to Cuba and preach the gospel? Additionally, Baxter Institute has requested specific prayers for Mario Lara who lives in El Salvador and is a Baxter graduate. Mario is in renal failure and he only has 10% function of his kidneys. Mario is currently looking for a kidney donation and there may be a possibility that Mario's sister will be able to donate a kidney. Please remember Mario as he goes through this physical, mental, and financial anguish, that he does find a kidney, and that his transplant will be successful. "...and He said unto them, *go ye into all the world and preach the gospel to every creature*".

We are blessed to have 3 summer interns working with our youth ministry this summer.
