Follow in His Steps
Day to Day Prayer

Our summer adult Sunday school series will begin this Sunday, June 1st, with a combined adult class in the main auditorium at 9:15am. **Dr. Lee Camp**, a member of the **Lipscomb University** Bible Faculty and the son of our own **Jim and Gayle Camp** will be the guest speaker. Under the summer theme of *Day to Day*...his topic will be **Prayer**. An outline will be handed out at the beginning of class, and he will provide questions and other material that will be used for the following two weeks for discussion in our individual adult classes. We are in a 'crunch' for space for adult classes this summer. Several classes are being moved to new locations for the summer quarter. We appreciate everyone's understanding and willingness to meet in locations that might not be ideal conditions! We are presently using every room and available space for youth and adult classes. Below is a list of the adult class locations for this 2008 Summer Quarter. Note, we are still working on the locations of two classes—we hope to have those locations finalized by next week.
