# OUR FAMILY NEWS

## JONATHAN'S JOURNEY

Last Sunday morning most of us woke up to a snow covered yard! Most of the highways were cleared, and when you arrived at Brentwood Hills you found a parking lot and sidewalks that had been cleared so you could safely enter the building. Michael Linn went out late Saturday night and got up early Sunday morning to make sure that we had "ice melt" ready to go to work on any slick spots.

There are plenty of behind the scenes jobs that Michael and Barry Estes do to make sure our facility is always in top shape. It is Barry's responsibility to make sure that our facilities and grounds are maintained--and not just here on the main campus, but also at our Grandview facility on Nolensville road.

Barry works with a lot of vendors and contract employees to make sure that we have a traffic control person in the street--that we have heat and cool air--repairs are made--the facility is clean--and the grass is cut! Barry works with John Glover's company, Excel, to make sure that our facility is clean and ready for each event, and we have a lot of events.

Our facility is used nearly seven days a week--every week. We have events scheduled almost every night. That means, if you or your ministry team needs to schedule an event or a meeting, you need to be sure to call Ophelia Sliger. Ophelia handles our master calendar and then works closely with Barry and Michael to make sure that everything is in place when the facility is open.

Drew Collings works for John Glover--and spends several days a week working here in our facility. Cleaning and setting up tables and chairs for events or classes are his main responsibilities. Drew is a hard worker, and he never complains about having to move a bunch of tables or a rack of chairs. Joey Gower also works for John and spends several days a week here at the building.

John's other employee who cleans here at Brentwood Hills is Margaret Drake. Margaret is a sweet lady who has worked cleaning our facility for years. This week we learned that her brother, John Taylor is in the MCIU unit at Baptist Hospital. Please pray for his recovery, and for Margaret as she serves us here at Brentwood Hills.

Too many times...we take for granted the work that is done by these servants...behind the scenes. Those of us that serve in leadership roles are very thankful for our administrative staff, and the help they give us to accomplish our task, and we are also very thankful for the work of our facility and cleaning crew. Please join me today in telling them thank you and letting them know that we appreciate their work.

We are all on this *Journey* together...being *shaped* to *serve*! We are the clay and God is the potter! Continue to be *Light* and *Love* this week!
