Our elders want to be available to pray with you anytime you have a need. At least one elder will be in our prayer room (#302) at the end of each Sunday service. If you would like to pray, just leave the auditorium during the invitation song and come to the prayer room. At other times, feel free to call the office to arrange a meeting.

A WORD FROM WALT

Wholly Holy – Will it ever end?

Today is the fifth and final Sunday in our *Wholly Holy* series, lessons based on the command in I Peter 1:15 and designed to help answer the question:

How can we be holy in all we do?

In recent weeks we've asked:

Why would or should we want to be wholly holy?

What does it mean for us to be wholly holy?

How is it possible to be wholly holy?

While we've spent the majority of our time in Romans, this morning we'll use a story from Jesus as the launching pad for our discussion. Tonight the series will close with several practical questions that can help us make some of those daily decisions, which can often be difficult, in our pursuit of holiness.

However, is *Wholly Holy* a topic that can be covered, or even adequately introduced in five weeks – or in five months for that matter? Of course not! We've barely scratched the surface and only touched on a small portion of what God's Word says. In reality, as long as we live the goals of every sermon or lesson we ever hear on any topic should include encouragement and/or instruction that can help us to *be holy in all that we do*.

As was said recently, what a new bride and groom actually have after the wedding ceremony is "permission" to begin the process of developing a great marriage. It takes work, determination and time – a lifetime!

In a similar way, what we have as a new Christian is "permission" – along with God's indispensable grace and power – to begin the process of developing a holy life. It takes work, determination and time – a lifetime.

The series may be ending today ... but the challenge is real for the rest of our lives!

WELCOME VISITORS!

It is a pleasure to have you worshipping with us today! Please take a moment to sign an attendance card and place it in the collection plate so we can acknowledge your visit. In order to provide a meaningful worship experience for our members and guests, we remind you that our nursery is available for little ones who may become restless or require some other attention during the service. Also, **Children's Worship Training** meets in our small auditorium at the 8:00 a.m. and 10:30 a.m. services for two-year-olds through the first semester of first grade.

OUR FAMILY NEWS

JONATHAN'S JOURNEY

MAGI BOX DEADLINE IS NEXT SUNDAY.

Last Christmas over 300 children in the small village of Limoncillo, Honduras received Magi Boxes,

many of them from Brentwood Hills. Again this year we are packing Magi Boxes to be sent by Healing Hands International to Honduras so that hundreds of children can have a Merry Christmas!

We have Spanish Bibles that you can put in your boxes. If you are not able to purchase the items, you can make a donation and our youth will do the shopping.

What a great way to get in the holiday spirit early! Fill the box and get out the Christmas wrapping paper! Remember to include a check for \$7.00 made out to Healing Hands International to help with the cost of shipping the boxes to Honduras.

FEELING SICK, TIRED AND SORE? DO US ALL A FAVOR. GO BACK AND SNORE!

Just like schools and businesses, we want to be proactive in preventing the spread of the flu. We have hand sanitizer and informational signs throughout our facility. Please use them.

Flu viruses are spread mainly from person to person through coughing or sneezing. Sometimes people become infected by touching something with flu virus on it and then touching their mouth or nose. Please take the proper precautions.

And most importantly if you are feeling sick or have a family member that is sick, please understand that it will be best for everyone if you stay at home and avoid contact with others. The best way for us to keep the virus from spreading is having limited contact with those showing Flu symptoms.

If you are sick, you can still be a part of our worship. Log on to our web site during service times and listen to our live broadcast. Go to www.brentwoodhills.org click on Listen Live and follow the instructions. Our Sunday 10:30 a.m., service is also broadcast locally on AM 1300. We want everyone to be healthy so you can continue to be *Light* and *Love* on your *Journey* to the Son!
