Our elders want to be available to pray with you anytime you have a need. At least one elder will be in our prayer room (#302) at the end of each Sunday service. A WORD FROM WALT

...take up twelve stones from the middle of the Jordan...put them down at the place where you stay tonight...These stones are to be a memorial to the people of Israel forever. Joshua 4:3,7

Memorial Day was established years ago as a day to remember those who've given their lives in service to our country. However, the concept of "memorials" is one that God used (and still uses) to help His people remember.

One great example comes from the story of Joshua. The Israelites were preparing to cross the Jordan River into the Promised Land. Joshua's final instructions included the selection of twelve men who would each select a stone from the middle of the river bed. These stones were to be carried out of the river and stacked in a pile at their camp for the night. From then on, those stones would provide a very tangible reminder of the deliverance God had provided by bringing the Israelites miraculously through the Jordan.

Imagine the faith-building stories parents were able to tell when their children would ask, "Why are those stones stacked up in the middle of our camp?" The door would be wide open for them to share with their children some of the amazing things God had done and could do.

Imagine the encouragement available to any discouraged man or woman who was wondering whether God would help with challenges they were facing. Even one glance at the pile of stones would quickly and clearly remind them that God is able to handle any obstacle or any challenge - no matter how impossible it might seem to be.

What "piles of stones" do we have in our lives? Are we able to tell our children any stories from our lives or experience - in addition to the stories from the Bible - that illustrate what God is capable and willing to do for us today? When we're discouraged or facing tough challenges, are there stories or experiences we can recall, in addition to the promises from His Word, that clearly remind us that our God is still alive and well?

Perhaps on this Memorial Day weekend we'd all benefit from spending at least a few minutes "gathering some stones" - thinking about some of those specific ways God has demonstrated His power in our lives - or in the lives of those close to us.

As the familiar song says, *"it will surprise you what the Lord has done."*

WELCOME, GUESTS!

It is a pleasure to have you worshiping with us today! Please take a moment to sign an attendance card and place it in the collection plate so we can acknowledge your visit. In order to provide a meaningful worship experience for our members and guests, we remind you that our nursery is available for little ones who may become restless or require some other attention during the service. Also, **Children's Worship Training, for two-year-olds through the first semester of first grade, will not meet today due to the holiday weekend.**

JONATHAN'S JOURNEY OUR FAMILY NEWS

eJourney IS HERE!

Each family should have received an instructional brochure this week with information about our new online database...eJourney!

This new tool will not only serve as an online directory, but it will also provide easier and more effective ways to communicate! In addition to the instructional information, you should have also received an email with your username and password. If you did not receive this information, please contact Judy Crumbliss (832-2541, x. 230 or judy@brentwoodhills.org). While using eJourney may require a little practice at first, it is a very user-friendly product that will help with every ministry – Sunday School classes, CARE teams, fellowship groups, and all of the ministry committees here at BHCC. It will also let you see what's going on so that you can find more ways to get involved!

We are so excited to launch eJourney, which will replace MemberClicks on June 1.
