Our elders want to be available to pray with you anytime you have a need. At least one elder will be in our prayer room (#302) at the end of each Sunday service. If you would like to pray, just leave the auditorium during the invitation song and come to the prayer room. At other times, feel free to call the office to arrange a meeting.

**A WORD FROM WALT**

It's been a month since the Day of Prayer and Fasting when we focused our attention on the selection of additional elders at Brentwood Hills, and our prayers are still needed! As the selection process continues, it is vital that we also continue to ask God for His guidance and blessing during this important and exciting time.

While we are praying for our elders - current and future - it is important that we also remember this:

**All of us have opportunities to assume leadership roles here at Brentwood Hills - and many already are!**

The "leadership titles" are numerous - elder, deacon, teacher, coordinator, minister, helper and servant are just a few of them. However, regardless of the title, there is no work on earth that is more important.

Don't take my word for it. Read carefully these words from Bill Hybels, found in the introduction to his book *Courageous Leadership*:

*If leaders in business, government, or education increase their competence through reading this book, that's fine. But I am not writing primarily to them. In the end, even though their work may be exceedingly important, the cause to which they have dedicated their leadership skills has one thing lacking: it does not have the power to change the world.*

*What makes my heart beat fast is engaging with leaders in local churches, because I feel that the local church is the hope of the world. I believe to the core of my being that local church leaders have the potential to be the most influential force on planet earth.*

*If they "get it" and get on with it, churches can become the redemptive centers that Jesus intended them to be. Dynamic teaching, creative worship, deep community, effective evangelism, and joyful service will combine to renew the hearts and minds of seekers and believers alike, strengthen families, transform communities and change the world.*

As we use the leadership opportunities God puts in our path (**and those opportunities are unlimited here at Brentwood Hills**), it's thrilling to know that we can be used by Him in the most significant work on earth!

**WELCOME, GUESTS!**

It is a pleasure to have you worshipping with us today! Please take a moment to sign an attendance card and place it in the collection plate so we can acknowledge your visit. In order to provide a meaningful worship experience for our members and guests, we remind you that our nursery is available for little ones who may become restless or require some other attention during the service. Also, **Children's Worship Training** meets in our small auditorium at the 8:00 a.m. and 10:30 a.m. services for two-year-olds through the first semester of first grade.

## PROMOTION SUNDAY IS TODAY!

All children are to go directly to their new classes. If your child did not get a postcard in the mail, or if you are a visitor, please check by Grand Central Station to find out the location of your child's class.

All children should have the appropriate new stickers on their tags. If your child's tags need replacement stickers, please stop by Grand Central Station. **Note:** First graders still need to be picked up from their classroom by a parent.

I hope you'll take the time to introduce yourself to your child's new teachers. They want to get to know you, too. ☺

## NO CWT TODAY

## PARENTS REMEMBER

Please be considerate of our teachers. When the first bell rings at the end of Sunday school, go directly to pick up your children. Remember many of the teachers need time to straighten their rooms, take a restroom break, fellowship some with other adults, and make it to second worship on time. They have been serving your children for over an hour. You can show your appreciation to them by arriving promptly to the classrooms. We want to honor and respect our teachers. They are important to our program.

**Thank you!**

There is SO much that goes on behind the scenes to prepare for promotion for so many children and so many classes! It would not happen so smoothly without countless hours of preparation and volunteer help.

Thank you to all the "Name Tag" ladies who came on Wednesday to remove old stickers and replace them with new ones. It took 13 volunteers one hour. "Many hands do make light work!" A very special thanks to: **Amanda Price, Angie Wesley, Jenna Wesley, Pat Nerren, Jane Gough, Lucille Stellingwerf, Ashley Wright, Susan Pauley, Judy Duncan, Anna Fisher, Nancy Pitts, Lib Long, and Judy Crumbliss.**

Thank you to all the teachers Wednesday night who worked together to clean, organize, decorate, and plan for their class. It's going to be a great school year!
