Our elders want to be available to pray with you anytime you have a need. At least one elder will be in our prayer room (#302) at the end of each Sunday service. If you would like to pray, just leave the auditorium during the invitation song and come to the prayer room. At other times, feel free to call the office to arrange a meeting.

A WORD FROM WALT

"Gracias Señor"

Less than two weeks ago the world was mesmerized by the thrilling and historic rescue of 33 Chilean miners who had been trapped since the first week of August nearly a half-mile below ground. For much of an entire day the world focused, a TV audience estimated at 1 Billion, on that remote site in South America as one by one all of these men were safely brought to the surface.

It's no surprise that the miners, were flooded with attention and many gifts upon their rescue - including, for example, a pair of Oakley sunglasses - which their eyes certainly needed after more than two months in the depths of the earth.

However, there was one gift offered to the miners that received very little, if any, attention from the news media - a simple t-shirt. All the miners had been given green jump suits to wear, thus they really had no practical reason for needing to add a t-shirt to their wardrobe. Nevertheless, most of the miners chose to put on that shirt, slipping it over their jump suits.

More than likely, the attraction to the miners was not the practical function of adding another layer of clothing, but they were attracted by the simple message on these t-shirts, obviously printed in Spanish.

The message on the front of each shirt:

"Gracias Señor"
Translation: "Thank You Lord"

The message on the back of each shirt was from Psalm 95:4:

"Porque en su mano están las profundidades de la tierra, y las alturas de los montes son suyas" Translation: "In his hand are the depths of the earth; the heights of the mountains are his also".

And on one sleeve of each shirt:

"Jesus"

We may not be surprised that the news media chose to ignore these t-shirts, which had been provided as gifts to the rescued miners by Campus Crusade for Christ in Chile. But neither should we be surprised that the men whose lives were actually at stake chose to wear the shirts - proudly proclaiming to the world their awareness of the One they believed was responsible for their rescue!

WELCOME, GUESTS!

It is a pleasure to have you worshipping with us today! Please take a moment to sign an attendance card and place it in the collection plate so we can acknowledge your visit. In order to provide a meaningful worship experience for our members and guests, we remind you that our nursery is available for little ones who may become restless or require some other attention during the service. Also, **Children's Worship Training** meets in our small auditorium at the 8:00 a.m. and 10:30 a.m. services for two-year-olds through the first semester of first grade.

MARRIAGE MINISTRY

Thought for the Week:

The whole course of life is changed both by marriage and a personal experience with Jesus Christ. Marriage and becoming a child of God both demand death to self and accountability to God and to others. A wife or husband cannot be faithful to more than one partner, as a Christian cannot serve any other God. "No one can serve two masters; for either he will hate the one and love the other, or else he will be loyal to the one and despise the other..." Matthew 6:24
